THOROUGHBRED CLASSIC HORSE SHOW

from Racehorse to Sporthorse

California Retirement Management Account (CARMA)
285 West Huntington Drive
Arcadia, CA 91007
(626) 574-6654

Dear Potential Sponsor,

The Thoroughbred Classic Horse Show (TCHS) is a breed-specific series created to provide opportunities for retired racehorses in their second careers.

TCHS is presented by the California Retirement Management Account (CARMA), a non-profit organization which funds the rehabilitation, retraining and rehoming retired California Thoroughbred racehorses. Since its inauguration in 2013, TCHS has hosted two to three shows annually at world class venues including the Los Angeles Equestrian Center, Blenheim Equisports and Galway Downs. Attended by hundreds equestrians, TCHS is the only Thoroughbred show of its kind in Southern California.

The Thoroughbred is the world's premier equine athlete whose talents extend far beyond the race track. With their stamina, courage and ground-covering stride, the breed excels at any equestrian discipline. However, over the last 20 years, the demand for Thoroughbreds in the show ring has diminished, in favor of imported European Warmbloods. As a result, these brave and valiant former racers often struggle to find new a purpose off the track.

While rescue and aftercare programs work tirelessly to place Thoroughbreds in homes for their post-racing life, we at the TCHS strive to create a venue where owners of Thoroughbred horses may showcase their versatility, thus giving them a second chance at life with a new and prolific career.

A horse show series of this scope can only succeed with the help and support of the horse racing industry as well as horse enthusiasts and equestrians like you. By supporting TCHS, you will help create show opportunities for retired racehorses and the people who adopt them.

We proudly feature almost all equestrian disciplines at every experience level such as: Hunter/Jumpers, Barrel Racing, Western, Dressage and Combined Training prized classes – but also fun classes.

Thank you for considering sponsoring this unique event that celebrates second chances at life through the amazing athleticism and talent embodying the Thoroughbred!

Sincerely,

The TCHS team
