Rules & Information

ELIGIBILITY

The Thoroughbred Classic Horse Shows (TCHS) are open only to Thoroughbred horses. It is our goal to be as inclusive as possible. If you have any questions, please email info@thoroughbredclassic.org.

Thoroughbred Incentive Program (TIP) Number

To compete in the Thoroughbred Incentive Program (TIP) classes, a TIP number must be obtained for each horse/rider combination, and the horse must have one of the following criteria met:

- The Jockey Club Certificate of Foal Registration (or similar document from a foreign stud book) or a copy thereof; OR
- The horse's lip tattoo, the horse's 5-cross pedigree and the successful tattoo lookup result from The Jockey Club's Tattoo Identification Services. Visit www.registry.jockeyclub.com OR
- A letter from The Jockey Club verifying the horse's identity. For a small fee the Jockey Club can DNA type any horse born after 2001. A TIP number may be obtained at www.tjctip.com.

To compete in non-TIP classes/awards, the horse must meet one of the above criteria. If it is not possible to provide a tattoo number or Jockey Club certification, you must submit the following information to info@thoroughbredclassic.org:

- The Jockey Club Registered Sire's Name of your Thoroughbred, and/or;
- Name of private breeder or farm where the horse was obtained, and/or;
- The name of the Aftercare Organization from where the horse was adopted

Once complete information is submitted, the horse's identity will be confirmed and the TCHS committee will provide you with eligibility status.

At the discretion of TCHS management, a horse's identification will be verified by reading lip tattoos and/or reviewing identifying paperwork. Any horse that is identified as not said horse will immediately be disqualified; prior prizes revoked, and will forfeit any refund of all fees. In case of an error in identification, final decision is up to TCHS management.

RULES

Management

The Thoroughbred Classic Horse Show (TCHS) Management reserves the right to interpret all questions and conditions in regard to, arising from, or incident to the show without claims for damage or recourse of any kind. All questions or issues not

covered in these rules and regulations shall be decided by TCHS Management and their decision shall be final. TCHS Management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel and award prizes without claim for damages; to change any posted course, to cancel or combine any unfilled classes or divisions, or to reschedule classes after due notice to exhibitors, to change or rotate judges, and/or to change specifications in classes to facilitate the time schedule or safety of rider and horse. Shall a protest be raised; TCHS Management shall at the conclusion of the class, hear the protest.

California Dressage Society (CDS)

CDS members who participate in a CDS recognized show may not be required to pay non-member fees to any other organization (National Federation – USEF or National Breed Organizations exempted) in order to participate in the show. For CDS recognized shows in California, Nevada, Arizona and Oregon, CDS agrees to a reciprocal non-member system where CDS will waive the non-member fee IF the competitor and/or owner is a member of another United States Dressage Federation (USDF) Group Member Organization (GMO); and in return the show management will not charge CDS members a non-member fee for any other GMO. If the competitor and/or owner is not a member of CDS or any other GMO, then the show management will charge and collect a \$15 non-member fee for CDS.

Every class offered here which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith.

CDS Membership Cards

Copies of all membership cards are required. To enter the Adult Amateur division, the USEF membership card MUST indicate Amateur status and the individual must have reached the age of 22 in the current year. JR/YR classes are open to riders under 21 years of age as of the previous year. Open classes are open to all exhibitors. All incomplete entries will be charged a \$10 internet fee to cover time and supplies to verify memberships. If you do not submit proof of Adult Amateur status, you will be entered in the Open division. If you request to switch to Adult Amateur classes after scheduling, all post entry and/or change fees will be applied.

Conflicts

Riders and horses with conflicts (classes, rings, trainers, etc.) are responsible for and must arrange their order-of-go with the gate official so they do not hold up the class. If this has not been done at the start of any class, the rider may be considered a scratch. Starters may scratch riders without consultation with TCHS management.

Dogs

All dogs must either be crated or on a leash. No loose dogs/pets allowed anywhere on the premises. Owners of loose dogs will incur a \$100 fine. You must clean-up after your pet.

Dressage Challenge

The Dressage Challenge class must be registered for, prior to the horse's first test.

Dressage Entries and Ride Times

Entries will be accepted on a first-come basis and must include all fees, membership and horse registration proofs, signatures and payment. Exhibitor numbers will not be released until this process is complete; entries without payment in full may be returned. Withdrawing at any time will not excuse the responsible party from paying all of the applicable fees. Those who do not comply with this will be turned in to the recognizing authorities and no future entries will be accepted until the matter has been resolved. USEF & USDF cards may be printed on one sheet of paper using the website www.eqverification.org. All incomplete entries may be charged a \$10 internet fee to cover time and supplies to verify memberships.

Classes will be scheduled to accommodate the judges, riders and management. Rider scheduling preferences, if noted on the entry form will be indulged when possible. Every effort will be made to follow the "50 minutes between rides" rule. This rule will be observed for riders of multiple horses. Requests for specific break parameters and/ or ride times will be considered, but not guaranteed. Classes will not necessarily be scheduled in order of difficulty.

Helmets

All Thoroughbred Classic Horse Shows (TCHS) follow the United States Equestrian Federation (USEF) Helmet and Body Protector Rules. Riders must wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/ SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It is compulsory for all persons when mounted anywhere on the competition grounds, to be wearing a helmet properly fitted, with harness secured.

It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. The Federation, Show Committee, Show Management and Licensed Officials are not responsible for checking headgear worn for such compliance.

Horse's Show Name

A horse may show under either its registered Jockey Club or horse show name. If known, we ask that you provide us with the registered Jockey Club name for your horse. If a horse's show name is changed, TCHS must be notified within 10 days in order to keep a proper record of points.

Hunt Coats

It is the tradition of the competition ring that riders be correctly attired for the class in question, that attendants be neatly dressed, and horses be properly presented. During hot weather, hunt coats will be deemed optional at the discretion of the

judges and TCHS management. During extreme heat conditions, the removal of hunt coats may be mandatory at the discretion of TCHS Management.

Liability Release

Every horse and rider attending the show must have a signed liability release on file in the horse show office prior to riding his or her horse. This includes schooling only.

Longeing

Longeing is not allowed in show rings and only allowed in designated areas.

Schooling

All horses will be assessed a \$25 warm-up fee. Schooling in the show rings will be available the day before the first day of the horse show. No horse may school without an exhibitor number clearly displayed at all times. To ensure the safety of riders and horses, the number of horses in any schooling area at any given time, will be at the discretion of TCHS management. On schooling day, the schooling of horses will be allowed from 9AM – 5PM. All rings will close at 5PM on schooling day. During the horse show, schooling in a ring at the conclusion of the last class will depend on the time of day, and is not guaranteed.

To encourage the retraining of Thoroughbreds into other disciplines upon completion of careers in racing or breeding, The Jockey Club created the Thoroughbred Incentive Program (T.I.P.). T.I.P. offers sponsorship for Thoroughbred-only classes and divisions, high point Thoroughbred awards at open horse shows and competitions, a Thoroughbred of the Year Award and a Young Rider of the Year Award.

For purposes of eligibility for all T.I.P. classes and awards, a "Thoroughbred" is defined as any horse that has been registered with The Jockey Club or a foreign Thoroughbred stud book recognized by The Jockey Club. In order to participate in a T.I.P. class or be eligible for a T.I.P. award, owners and riders must obtain a T.I.P. Number. T.I.P. Numbers are free and should be obtained for each horse/rider

combination. The T.I.P. number card should be provided to participating horse shows as proof of eligibility.

To apply for a T.I.P. number, please visit www.tjctip.com and click on "T.I.P. Number". You will need an Interactive Registration™ account to apply for a T.I.P. Number. Interactive Registration™ is a FREE service designed for the use of thoroughbred owners and breeders to transact business electronically with The Jockey Club registry.

Saving Horses, Inc

rescues horses from slaughter, abuse and neglect. We've rescued over 100 horses in 8 years, many of them are off-track Thoroughbreds that have been dumped at low-end auctions or found on slaughter bound feedlots. We give them a second chance. Whenever possible, they are rehabilitated and re-homed. Others are retired to our retirement sanctuary, where they participate in an Equine Assisted Therapy Program.

Farralone Farms is a Thoroughbred horse rescue organization and we are located in Chatsworth, CA in the San Fernando Valley right off the 118 freeway. Immediately after rescue we assess our new horses to figure out their rehabilitation plan. Many need a month or two to just relax and eat plenty food. We have their teeth floated, feet trimmed, worming and vaccinations taken care of. We do gelding surgeries if a stallion, and take care of any health issues.

There are many wonderful riding and companion horses available for adoption at any time. Some horses have exciting new careers and lives ahead of them in the show ring or on the trails. Others can not be ridden and will make fantastic companion horses and family pets.
